### WORK EXPERIENCE

Nouveau Riche Vintage *Summer Design Intern*, 2020 | Toronto, ON  
\_\_\_ Assisted the owner in developing brand strategies for the shop's social media and online presence. Including but not limited to – designing a range of multiple brand assets for various contexts such as Instagram Sales and in-store posters. As well as re-designing the UX/UI for the e-cart which was hosted through Shopify.

Sheridan Department of Design *Freelance Contract*, 2020 | Oakville, ON  
\_\_\_ Currently designing an Infographic Art book, documenting the process of building a newly constructed artwork entitled 'Work-In-Process' commissioned by Sheridan College, lead by Claire Ironside & Doug Donald.

Nothing Design Studio *Summer Design Intern*, 2018 | Toronto, ON  
\_\_\_ Assisted the creative director in developing and implementing brand identity systems/strategies for clients. Including but not limited to – proof corrections during pre-press production phases, designing way-finding systems, as well as a range of multiple brand assets for various contexts.

York U Department of Design *Print Technician*, 2017 - 2018 | Toronto, ON  
\_\_\_ Actively solved technical problems regarding project fabrication materials and methods for students of the design faculty, which allowed for the experience to work with a diverse set of production mediums such as vinyl presses, risograph printers, heat presses, etc.

George Brown College *Freelance Contract*, 2017 | Toronto, ON  
\_\_\_ Created an identity for "SHADES" for the Community Action Center from concept stages to production by assisting the program director regarding brand strategy, tone and messaging. Aided in developing a multi-media presence through designing social media assets for outreach.
